Precious Girls of NNEC,

It's time to mark your calendar: September 9-11, 2011 for our NNEC Women's Ministry Fall Retreat at tranquil Camp Lawroweld.

Enjoy this life changing opportunity as God ministers through Cheri Peters, sharing her powerful story of God's constant and winning love. Musicians Kelsey and Lynee, a mom and daughter team will praise God with us through music.

Party time Saturday evening includes THE MARKET PLACE where you can sell your fundraising items. Pre-reservation for a table is required. Email lorTEL@nNEC.org with your name, church name, and wares. You will receive your confirmation table sign when you arrive at camp.

The BOOK EXCHANGE will be held Saturday night. Bring a book to share. Take a new-to-you book home.

We hope you enjoyed the comfort and attractiveness of our purchase chairs last year. This year, we will be sponsoring a "face-lift" to Someone Cares building—painting the walls and floor. Thank you for your financial support.

We believe God's precious spirit is alive and well at Camp Lawroweld. Come enjoy the natural beauty, the peaceful atmosphere, the refreshing fellowship. God can make a huge difference in our lives if we let Him.

See you at the Retreat!

cheri peters

(Keynote speaker)

“Hello! My name is Cheri Peters. I come from a background of abuse, homelessness, and drugs. However at 23 (fairly illiterate), my life turned around. It

sounds trite to say I had a spiritual experience and everything changed but that's exactly what happened. I felt the presence of God during a suicide attempt and He convinced me that my life was worth living.

Those who have been around me a lot know I like the word smile. It's the kind of word that not only affects you when you do it, but it also affects everyone around you. There was a time in my life when I didn't smile--I couldn't. But praise God for His untiring love and endless pursuit; I'm smiling again.

God has put a burden on me to help people of all ages who have lost sight of the meaning of love in their lives, and have accepted the delusions of Satan. To this I have committed my life. And for this reason True Step Ministries, Inc. exists. Praise God!”

Lyneee Hamm has a passion for life, music and God. Currently she is the Reconnecting coordinator for the Westvale Seventh-day Adventist Church Syracuse, NY. She has served as Women’s Retreat Coordinator for the New York Conference for the past 10 years and as a worship leader in her church for over 12 years. Music has always been an important part of Lynee’s life and is a family legacy for her and her daughter, Kelsey, both being born into a family of singers and instrumentalists. One of Lynee’s most incredible joys in life is being “Oma” to her almost a year old granddaughter. She also praises God for his leading in her to become a Licensed Massage Therapist, a dream of 20 years.

Kelsey Hayes is a wife and new mommy from Utica, NY where she practices as a Doctor of Physical Therapy. She became interested in music as a child and feels she worships God best through song.
